

In late March I was notified that I received a major award from the American Society of Agricultural and Biological Engineers (ASABE). I am the recipient of the 2023 PEI Professional Engineer of the Year award for outstanding contributions to the development and promotion of the professional engineering exam and environmental protection through technical design, installation, documentation. Talk about an amazing way to kick off turning 40! I may not be practicing in the Ag Field anymore, but I've stayed involved with exam development work, and I'm incredibly honored.

PEI PROFESSIONAL ENGINEER OF THE YEAR AWARD

Naomi
Bernstein

The image is a promotional graphic for the ASABE PEI Professional Engineer of the Year Award. It features a dark blue background. On the right side, there is the ASABE logo, which consists of the letters 'ASABE' in a white, bold, sans-serif font inside a white octagonal border with a globe-like pattern below it. On the left side, the text 'PEI PROFESSIONAL ENGINEER OF THE YEAR AWARD' is written in large, white, bold, sans-serif capital letters. In the center-right, there is a white rounded rectangular frame containing a portrait of Naomi Bernstein, a woman with curly brown hair, wearing a red blazer over a black top, with her arms crossed and a smile. Below the portrait, on the left, is a dark blue rectangular box with the name 'Naomi Bernstein' written in white, sans-serif font.
