

WI SECTION OF ASABE UNDERGRADUATE ENGINEERING STUDENT AWARD

This award recognizes an undergraduate Biological Systems Engineering student for achievement in preparation for a career in the profession. The recipient must be enrolled in an Agricultural or Biological Systems Engineering program, must be a member of an authorized ASABE Student Branch, a national member (student or otherwise) of the ASABE, and must be making satisfactory progress toward a Bachelor's degree (as determined by the Student Branch faculty advisor). Students who have graduated prior to January 1st of the year in which the award is to be made are not eligible. This award is given annually and is accompanied by a small cash award.
